**Bounce, skate and discover - right here at Holiday Club.**

Children learn what they are passionate about when they're exposed to it. That's why at Holiday Club we provide a wide variety of activities, incursions and excursions that help children discover their true passions in life.

This Summer, we've got a jam-packed program with all kinds of fun excursions from trampolining to ice skating, don't forget the exciting (and educational, shh) incursions we have planned from engineering activities, to food science workshops and everything in between.
