

Update from the Parish Missionary Council (PMC)

Connecting our Community

In the early part of the year we established our focus for the year to be on community connection, with emphasis on growing the connection between our schools and parish communities. We were preparing for Easter, when COVID forced a pause in our thinking. We are currently working towards Christmas and have an opportunity for involvement below. We also hope to be able to share more opportunities for greater connection and deepening of Faith over the coming weeks. If you have any ideas, would like to participate or have any questions, please contact any member of the PMC or Bev Jones

Seeking PMC Members

If you would like to play an active role in connecting our Parish community, especially growing the connection between the church and our parish schools please get in touch! We are specifically seeking members from St Philip Neri, however, happy for expressions of interest for our other churches – many hands make light work!

Please contact the Parish office at office@lms.org.au or (02) 9958 8846 or Bev Jones

COMMUNITY CHRISTMAS CAROL 2020

The Parish community is invited to join the Christmas Carol project. Christmas is a special time of year for our community and the idea of the Christmas Carol project is to bring the Parish community 'individually together' during COVID.

Each person or family involved will be guided by our musical director to record their own version of a Christmas carol. Then all of these recordings will be expertly joined together to create one final Christmas carol for everyone to enjoy in the lead up to Christmas Day.

Carol recordings will take place in 15 minute windows at St Philip Neri Church on Saturday 31st October between 11am and 2pm. If you would like to be involved simply book a time slot at Try Booking <https://www.trybooking.com/BMHTR>

For further information please contact the Parish Office.
